

**Researchers Unleash The Most Powerful Natural Weight Loss Discovery  
In The World, Proven To Help Adults Age 50 and Over ...**

**Lose up to 48 pounds in 60 days ...  
Guaranteed!**

**FINALLY ... the safe, natural fat-burning miracle you've been waiting for!**

To introduce this weight loss breakthrough, I'll send you a 60-day supply so you can lose up to 48 pounds without risking a single penny. But you must be one of the first 500 who respond within the next 10 days.

Dear Friend,

I've been helping people stay healthy and lose weight ever since I founded Oberdorf's Natural Healers more than xx years ago.

But I have to tell you, I have never been more excited than I am today!

Let me put it to you this way. If you've ever been ...

- ✓ *Sick and tired* of battling with your weight
- ✓ *Fed up* with diets and cravings
- ✓ *Self-conscious* because of your size
- ✓ *Frustrated* with your clothes not fitting
- ✓ *Discouraged* gaining back every pound you manage to lose

Then hold on to your hat and prepare to be amazed because ...

**What I'm about to share with you is GUARANTEED to change your life!**

My team has just formulated a brand new weight-loss miracle. It's a triple-action, fat-busting breakthrough called **GARCINIA MAX PLUS**.

**GARCINIA MAX PLUS** is based on the latest scientific research revealed on TV by none other than Dr. Oz. And it makes **GARCINIA MAX PLUS** the most powerful, safe, weight loss solution you can find anywhere today, by far!

In fact, I'm so sure that **GARCINIA MAX PLUS** can help you easily shed all your unwanted pounds and inches ... and end all your weight loss struggles and frustrations ... that I'm going to insist that you try **GARCINIA MAX PLUS** for 60 days 100% FREE

*(Over please ...)*

of any risk or commitment whatsoever.

I'll tell you exactly how to get your 60-day supply of **GARCINIA MAX PLUS** in a moment. First I want to make sure you understand that ...

**Finally, you really can quickly and easily  
LOSE 4 TIMES MORE WEIGHT than dieting**

When I first heard Dr. Oz talk about this amazing, natural weight loss discovery, I had to check it out for myself (and for you).

I dug into the results of a randomized, double-blind study (that means there's NO doubt) by Dr. Harry G. Preuss of the prestigious Georgetown University Medical Center. And by the time I was finished, I could hardly contain myself.

Dr. Preuss' study proved that a precise formulation of an extract from the rind of a southeast Asian fruit, called garcinia cambogia, effortlessly melts away FOUR TIMES MORE excess weight than dieting.

The key word here is "precise". Not just any old garcinia cambogia was proven to work.

To lose weight like crazy, you need at least a 60% concentration of the purest form of the real fat-busting miracle hidden inside garcinia -- a natural substance called hydroxycitric acid (HCA).

**GARCINIA MAX PLUS takes weight loss beyond anything else on the planet!**

In formulating **GARCINIA MAX PLUS**, my team has taken weight loss WAY beyond the research in two HUGE ways.

First, we discovered a way to supercharge **GARCINIA MAX PLUS** with not 50% ... not 60% ... but a full 70% HCA concentration.

**GARCINIA MAX PLUS** gives you a whopping 17% more of the proven fat-busting power than anything else. That's where the "MAX" part of the name comes from.

But we didn't stop there. Next comes the "PLUS" part of the name.

We combined this maximum-power garcinia extract with a unique formulation of 8 more of the world's most trusted and effective natural weight-smashing ingredients.

Go ahead and look. You simply WILL NEVER find this formula, with this much safe, natural weight loss power anywhere else.

Only **GARCINIA MAX PLUS** puts them together so you can ...

- ✓ Easily shed up to 6 pounds or more of unwanted fat every week
- ✓ Shrink one or two dress sizes every month

- ✓ Fit into clothes you never thought you'd get back into
- ✓ Feel more full of energy and enthusiasm than you have in years

**Exclusive three-way power to quickly end your weight problems FOREVER!**

Just 2 easy-to-swallow veggie capsules a day is all it takes. With **GARCINIA MAX PLUS**, your body has no choice but to melt away fat and keep it off for good. Because **GARCINIA MAX PLUS** promotes rapid, natural weight loss and fights fat in adults age 50 and over 3 powerful ways.

1. Blocks New Fat: The natural fat-busters in **GARCINIA MAX PLUS** prevent your body from turning food into fat. Instead it forces your body to convert what you eat into glucose, which is taken to your cells and burned as energy. Your foods burn-off instead of becoming fat around your waist, hips and buttocks.
2. Burns Existing Fat: Research scientist, Dr. Rich Scheckenback, explains it best, "Garcinia is an exceptionally effective fat buster. It inhibits the production of fat in the body. And when the body is not making fat, it's burning it." So thanks to **GARCINIA MAX PLUS**, your body has no choice than to become a fat-burning furnace.
3. Suppresses Your Appetite: **GARCINIA MAX PLUS** gently and naturally elevates the natural serotonin levels that signal your brain you are full and satisfied. With your appetite suppressed, you naturally eat less. That means you can't help but lose even more weight.

Nothing is more effective than **GARCINIA MAX PLUS** for eliminating excess pounds and inches fast.

No matter what you've tried before. No matter how much you have to lose, you can expect to steadily and easily lose up to 6 pounds every single week... 48 pounds in 60 days.

**Losing weight and inches is only the beginning ...**

As your new, thinner you quickly takes shape thanks to **GARCINIA MAX PLUS**, you'll notice some other great benefits. You'll ...

- ✓ Feel proud and self-confident!
- ✓ Look great in all the latest fashions!
- ✓ Be the envy of all your friends!
- ✓ Feel more attractive and your sex life will improve!
- ✓ Feel happy and full of energy!

In other words, your whole life will change!

I know this may seem hard to believe. I know there are many weight loss products out there. And I know you've been burned before. We all have.

That's why I want to send you **GARCINIA MAX PLUS** to use for 60 days so you ... and everyone you know ... can be amazed seeing these results on your own body.

**Here's how to lose up to 48 pounds in 60 days, Risk-FREE!**
