Keep your liver clean for a long-lasting surge of healthy energy ... and maximum life span!

Having a clean, healthy liver plays a large role in determining how healthy you feel ... and even how long you live.

Your liver is like a giant filter that captures harmful pollutants, metals, chemicals, parasites and excess cholesterol in your body. Then it clumps them together into "stones" and passes them out your bowel.

Unfortunately, due to aging, modern environmental chemicals and poor diets, chances are your liver is overworked and clogged with "stones".

With your liver blocked and its filtering ability shut way down, poisons can spread freely through your body.

And that explains why you have many of the health problems you do.

Fast, Safe, Non-surgical Relief!

Until recently, a clogged liver was like a prison sentence of misery and

Here's All You Need For a Healthy Liver Flush

- ✓ **Super Phos 30**
- ✓ 3 quarts Apple Juice (natural, not concentrate, no sugar added)
- ✓ 1 cup Olive Oil (extra virgin)
- ✓ 8 - 12 oz. Coca Cola Classic (room temperature, bottle not can)
- ✓ Juice from 1 Lemon

bad health. There was no reliable, non-surgical way to eliminate the painful gall stones (which are just relocated liver stones).

You would face a life of indigestion, bloating, pain allergies, and all manner of health problems.

Super Phos 30 Works Like Magic and Changes Your Life.

Super Phos 30 is like a natural crow bar that pries apart and breaks down liver stones so they pass naturally and unclog your liver.

Users of **Super Phos 30** are often amazed at the number of stones they pass in their stool. (often 200 or more).

Eliminating liver stones is literally like removing a giant weight from your body. Hours after the flush many people say they feel "reborn".

I Guarantee You'll Feel Like a Million Bucks!

One thing is for sure, you'll start feeling incredibly healthy and energized like magic. And many nagging health problems will suddenly disappear ... or your money back.
